

God is at Work! Let us Praise His Name Together!

But how will we know if we don't share what He has done, or is doing, with one another?

Psalm 44:8 (ESV) says, "In God we have boasted continually and we will give thanks to your name forever."

When God does something good in our lives, it's a great encouragement for others to hear what He has done and it brings glory to God. Our stories of seeing God at work (what we sometimes call "God Sightings") can be large or small; they can be of a miraculous healing or intervention, or God's faithfulness in meeting us in the everyday activities of life.

In order for us to celebrate what God is doing, we would love to hear your stories. Some may hesitate to share because they aren't comfortable getting up in front of the congregation, but don't let a fear of "public speaking" hold you back from "boasting in God." There are other avenues to let us praise God with you, such as having someone help write up your testimony to put in the monthly TrinityInfo, or a pre-taped interview that can be shared, or other means that are appropriate for sharing your story.

Following are just a few ideas of things you may have already seen God do that you could share:

- * What steps God used to help you come to faith and commit your life to Jesus.
- * A time when you were able to share the Gospel with another person.
- * How God has allowed you to use the spiritual gift(s) He has given you for His glory.
- * A time when through your study of Scripture, God brought to light a particular truth that applied to a situation you were facing.
- * Financial freedom experienced as you applied Biblical principles from the Word of God.
- * A roadblock that was cleared that brought you into a deeper relationship with God.
- * A coming back to making a commitment to God being Lord of ALL after a time of wandering.
- * A time when someone in the body of Christ lived out a "one another" of Scripture that made a positive impact on you.
- * A time when someone acted as "Life Guard" for you, pulling you into the body when you felt like you were going adrift.
- * God's sustaining grace and peace that allowed you to worship Him even in a time of difficulty.

These are just a few ideas, but we know God works differently in each of our individual lives, so your story will be unique. If you have a testimony to share, you can let us know in a couple ways. You can contact the Office by phone (796-2600) or email (trinity@trinityinfo.org), or you could talk directly with Pastor Gary or Pastor Don. You can also share answers to prayer and briefly record your "God Sightings" on one of the cream colored response cards found in the red fellowship registers.

"I will bless the Lord at all times, his praise shall continually be in my mouth. My soul makes its boast in the Lord, let the humble hear and be glad. Oh, magnify the Lord with me, and let us exalt his name together!" Psalm 34:1-3 (ESV)
