

Over-thinking the "truth in love"

Thinking "cheap" forgiveness is a _____ option.

Thinking there is a _____ of being understood.

Thinking you must be a "_____ master."

Thinking that _____ is instantaneous.

Thinking that you need to use a "____ table."

Thinking that there will be a "_____" time.

Thinking you will _____ them into submission.

Thinking there is a way to know with _____ the
state of their _____ (their _____).

**THE SIMPLE FACT IS
WE MUST BE WILLING TO _____
FOR THE JUDGMENT OF CHARITY,
COME TO THE _____ TABLE _____,
AND BEGIN THE _____ OF HEALING
BY SPEAKING THE TRUTH IN LOVE.**

How our study applies to having a great small group:

A good group is always _____-centered.

*A good group gives us encouragement and perhaps
accountability to _____ the hand of forgiveness that we
_____ and leave the _____ in God's hands.*

*Speaking the
truth in love, we are to
grow up in every way into
him who is the head, into
Christ.*

Welcome to Trinity Fellowship

Today we continue a critical four-part examination of the essentials of "regrouping to meaningful, healthy relationships" within the Body of Christ. In the last two weeks we've asked the Lord to help our hearts be "bitter-free zones" and we have sought His help to not limit our forgiveness to a mere emotional release but rather an active seeking of reconciliation and restoration.

In our study today, we consider the complexities and simple-ness of "speaking the truth in love" as the practical means to "care-front" (because we care enough to confront).

This is all part of **Vision 2010** -
*releasing a God-given revolution of
relationships from the men up!*
