

# DAILY SCRIPTURE

The following readings will help prepare you for next week's initial study in the new series,

## **"Pretending to be Mature:**

*Unmasking False Teachers So That No One Misleads Us"*

Please also review our memorization-meditation text found in Ephesians 1:3-14.

- MON – DEC 28** • **Read Matthew 24** – note the warning of verse 4 (the theme of our study). Are you too Biblically gullible?
- TUE – DEC 29** • **Read Acts 20:17-38** – note the warning in vv. 28-31. Where will some of the attacks come from?
- WED – DEC 30** • **Read Ephesians 4** – Paul gives us the picture of healthy and unhealthy Christians (& churches). How would you paraphrase the warning of v. 14?
- THU – DEC 31** • **Read 2 Timothy 3** – Paul gives Timothy what warnings in vv. 5-9 and 12-13?
- FRI – JAN 1** • **Read 2 Peter 3** – Note vv. 16-18. Who twists the hard to understand passages of Scripture?
- SAT – JAN 2** • **Read Isaiah 8** – Even in the Old Testament times people all yearned for "new visions." What is the directive give in vv. 19-20?
- SUN – JAN 3** • **Read Revelation 2 & 3** – Which of these letters to the churches contain either warnings against false teachers or affirmations for remaining vigilant for the truth? Hope important is this to our Lord Jesus?
