

# DAILY SCRIPTURE

Next week, Pastor Gary begins the final Vision 2010 teaching series. The Book of Joshua will challenge and encourage us to take possession of the promises of God.

- MON – APR 26** • Read Deuteronomy 29-30 to begin to gain some context to our study of Joshua. How do Moses' words give us insights into the background of what Joshua faced?
- TUE – APR 27** • Read Deuteronomy 31-32. How does Moses help Joshua take the reins of responsibility?
- WED – APR 28** • Read Joshua 1. This is our main text for study this coming Sunday. What has God commissioned you to?
- THU – APR 29** • Read Joshua 23. Today and tomorrow we will read about the end of Joshua's life and the commission he gives to the next generation.
- FRI – APR 30** • Read Joshua 24. What words have you received from those who have gone on before you?
- SAT – MAY 1** • Read Judges 1. Today and tomorrow we want to note what happened after Joshua died.
- SUN – MAY 2** • Read Judges 2. Note especially verse 10. How does this verse give us a picture of the dangers of growing up with a believing heritage but not a personal relationship with God?
